

TERMS and CONDITIONS FOR TRADE/DISPLAY SITE

1. The Bream Creek Show Society (BCSS) reserves the right to approve or refuse any application.
2. Closing date and notification of successful application is as listed on the application.
3. Failure to make payment within the terms of the invoice will result in the cancellation of the application and re-allocation of the site.
4. Site allocation is at the discretion of the BCSS. Sites are not perpetual, and no negotiations will be entered into.
5. All stalls/displays must be erected, and all vehicles removed from the grounds by 8.30am show day. Failure to do this may result in your site being closed down.
6. All site operators must attend a briefing at 8.30am and must remain in operation from 9.00am to 4.00pm on show day. No vehicles are to re-enter the showground until after 4.00pm.
7. The Committee shall have power to enter upon the area described at any time and remove any article, sign, pictures, or printed matter which in their opinion may cause offence to the public or the officials of the Society.
8. All temporary structures must be appropriately erected and in full compliance with the manufacturer's instructions. The committee may reject any structure which is untidy, dilapidated or non-compliant.
9. All temporary structures need to be securely anchored due to the possibility of strong winds on show day.
10. All anchor points must be covered in such a way as to prevent the public from injury.
11. A Building Surveyor will inspect all structures on show day to ensure compliance.
12. **Notification of a food business** form must be completed by food business operators using a food van that is currently registered as a food business with another Council in Tasmania. All food preparation and service must be conducted within the van. If additional marquees/tents are required in addition to the food van, registration as a temporary food business will be required for these additional spaces.
13. **The registration of a temporary food business** form must be completed by site occupants operating a food business from tents, marquees and other spaces within the showgrounds.
14. All food outlets must comply with current food safety standards and food license must be clearly displayed on show day.
15. All outlets selling alcohol must provide copies of RSA for all staff working on show day and copies must be provided.
16. All site operators must clearly display the price of goods on sale.
17. No site operator may run out of goods, especially food stalls/vans.
18. Food and Coffee Vans/Stalls must bring own water/storage.
19. Every site operator and every person working or volunteering on that site must have a gate ticket to gain entry to the show. These are available for purchase from our website www.breamcreekshow.com.au
20. Site operators must have available for the duration of the show and for the setting up and putting down period a policy of insurance indemnifying them against public liability in the sum of \$5,000,000 for each accident and \$10,000,000 for the show.
21. Unless authorised by Committee, site operators may not occupy the site allocated until the Friday before Show day between 8:00am and 7:00pm, and the space must be vacated no later than 12:00pm the Sunday following the show.
22. The space allocated is to be used only and solely for the purpose specified on the application form. Site operators and/or their employees/helpers etc. must conduct themselves in an orderly and respectful manner while they are on the grounds and maintain a neat and clean appearance.
23. All site operators are required provide their own rubbish bin, and to keep and leave site in a clean and orderly condition, at least equivalent to that prevailing before occupancy. All rubbish must be taken by the site occupant when leaving the showground.
24. No livestock or domestic animals will be permitted on site without the express permission of the Committee.
25. Signage displayed by site operators must relate to the actual products which the Committee was advised would

be promoted.

26. The use of amplifiers must be restricted to meet the requirements of the Committee and toned down or turned off if required by the Committee.
27. No site operators shall erect barriers to interrupt free and uninterrupted passage of the public between exhibits, erect display signs in such a manner to cause inconvenience to other site occupant, paint or mark any of the Society's property without the signed authority from the Committee.
28. No sub-letting will be permitted.
29. No raffles will be permitted.
30. No site operators shall sell, display or in any way promote guns or knives or similar weaponry at the Show.
31. The Society shall not be liable for any loss of or damage to the site operator's property whilst on the said area. Overnight ground security arrangements will be made by the Committee for the Friday and Saturday night.
32. Site operators hereby accept all responsibility for any damage or injury to any person, or persons property which may be occasioned by, or arise out of the use of machinery, implement or apparatus of any nature whatsoever used in connection with the stands and/or demonstrations.
33. Site operators must undertake to conform to the requirements of any Act of Parliament which govern the erection of structures, displays and/or sale of machinery and other products, and also to conform with any regulations by any Government, semi-Government or local Government Authority duly authorised to make regulations, by-laws or ordinances in connection herewith including the requirements of the Food Act 2003.
34. If the Society finds it necessary or expedient to cancel or postpone the event, this Agreement shall cease to operate upon notice to that effect, being served on the exhibitor at the address mentioned in the records of the Society and no compensation shall be payable to the exhibitor.
35. All site operators must provide an approved fire extinguisher and encouraged to display a no smoking sign.
36. All site operators using power of any description or for any purpose are required to provide and use a residual current device (RCD). Site occupants must supply their own tagged extension leads as required.
37. Any electrical equipment or appliance not listed on the application form must not be utilised. All appliances without permanent wiring are required to be tagged.
38. Any electrical work on Bream Creek Show Ground must be carried out by show's approved electrician.
39. All leads on the ground must be covered with appropriate rubber matting or fenced off from the public.
40. Power to the site is subject to any conditions laid down by Aurora Energy. The Society cannot guarantee supply of power as it is subject to power being supplied to the Society by Aurora Energy.
41. If the Committee deems any activity undertaken by the applicant constitutes a fire risk, then the Committee may demand the cessation of the activity.
42. Any gas fittings or appliances must comply with relevant regulation.
43. Site operators using the WiFi network for EFTPOS devices must not share the access with other people for general use. Network connectivity/usage will be closely monitored, and any "unapproved" access will result in your device being blocked.
44. No single use plastic bags.
45. Bream Creek Show is a smoke free event.
46. The Society reserves the right to cancel this contract and requires site operator to vacate their site within specified period therewith if there is any infringement of the foregoing conditions.
47. Site operators must comply with all COVID-19 measures put in place by the BCSS to ensure a safe event.
48. The BCSS will manage the risks of COVID-19 for the whole event, but each site operator must manage the risk of COVID-19 entering or spreading from their site. All site operators must have their own COVID Safety Plan.
49. Site operators must be prepared to accept Australian Standards and Tasmanian legislation regarding safety measures at public events and follow directives from the Tasmanian Health Department on managing Covid -19 in our community.

NO SMOKING
