About Bream Creek's Got Talent (and the Rules)

Bream Creek's Got Talent is an opportunity for the regions best young performers to take to the stage and show our community their amazing skills and talents. It could be singing, dancing, playing an instrument, skits, juggling, performing magic, comedy or something a bit different or unique. It will be a great opportunity to perform in front of a live audience with professional audio and be a part of the Bream Creek Show.

Subject to the final program, Bream Creek's Got Talent will happen in the *kids marquee* between the times of 10:30am to 11:30am and again from 1:00pm to 2:00pm. Each performer will be provided 5 minutes to perform their show with a few minutes either side for set up and standing ovations. All performers will need to be in position 15 minutes before the start of the first performance. All performers will receive a special certificate commemorating their rise to stardom.

Bream Creek's Got Talent is an inclusive non-competitive event. There will be no judging or individual awards or prizes. Just the admiration of fans for years to come.

The Bream Creek Show Society will provide the stage as well as a professional PA, microphones, an MC, roadies and a real life sound guy! We can organise to play your background music, plug in your guitar or instrument or mic up your band. Please provide a full description of what you need in the application.

Bream Creek's Got Talent is open to all children between the age of 6-16. Maximum number of people in a group (at the same time) is 3. No profanity or insensitive subject matter will be permitted and unfortunately we can't accommodate animals in your show (unless it's a puppet).

Applications will be taken up until 6 March 2024. There are a limited number spaces available and we will advise you by 9 March 2024 if you have been selected to perform. Bream Creek Show Society will do our absolute best to accommodate all entries but in the event of over subscription or unsuitability, our decision is final. Participation in Bream Creek's Got Talent does not provide a ticket to the Bream Creek Show.

We can wait to hear and see the best junior talent our region has to offer and encourage everyone to come along and get a front row seat to cheer the performers on.
